Merry Christmas

You will need a dice and some counters.

How to play:

Each player puts their counter on the space marked number one. Take it in turns to roll the dice. Move your counter forward the number of spaces shown on the dice. If your counter lands at the bottom of a arrow, you can either move up to the top of the arrow or you must slide down to the bottom of the arrow. The first player to get number 26 is the winner.
